

Domestic hot water tanks
with permanent Ceraprotect
two-coat enamel finish
42 to 120 USG / 160 to 450 ltr

VIESSMANN

VITOCELL 100

Economical domestic hot water comfort

VITOCELL 100

Experience Viessmann hot water technology! Comfort, convenience and reliability in one economical package. Available in vertical and horizontal designs, from 42 to 120 USG / 160 to 450 liters. Improve your domestic hot water comfort today.

The benefits at a glance:

- **Convenience** – Large heat exchanger surfaces allow fast recovery rates and ensure a **constant and reliable domestic hot water supply**.
- **Comfort** – Tank coil extends to tank bottom guaranteeing **even water temperatures at all times**.
- **Durability** – Quality steel construction and Viessmann Ceraprotect permanent two-coat enamel finish ensure **operational reliability and a long service life**. Standard magnesium anode provides **additional active corrosion protection**.
- **Extremely efficient indirect hot water production** by boiler. **Save up to 50% of your operating cost** compared to most conventional direct-fired hot water production.
- Highly effective (HCFC-free) insulation keeps **standby losses and operating cost at a minimum**.
- **Space-saving option:** Mount a boiler onto the horizontal Vitocell-H 100 version. **Zero clearance to combustibles** for all Vitocell 100 tanks.
- **High-volume hot water** Several Vitocell-V 100 Series tanks (79 & 120 USG) can be combined into tank batteries.
- **Vitocell-B 100 solar tank** Dual-coil hot water production via solar collector and boiler.

Vitocell-H 100
Space-saving design

Vitocell-V 100
Economical,
durable, reliable

Create more family space in your basement!
